

## Instructions

To ensure the proper fit, be precise and record all the requested measurements on the Concealable Sizing Form. During sizing, the officer should wear their on-duty undergarment, duty pants and duty belt. The officer should not artificially adjust the height of their duty belt. The officer should not sit or stand artificially erect. A separate person should conduct the measuring using a vinyl or cloth measuring tape. Ensure the tape remains leveled and snug; do not over tighten.
