BDSIIIA1-1

Multi-Threat Soft Armor

SHOWN IN DELTA CUT

FEATURES

- ◇ Our Multi-Threat Soft Armor Series is engineered to meet NIJ 0101.06 Level IIIA and HOSDB KR1 and SP1 requirements, delivering proven ballistic, knife, and spike protection in one combined solution. Built from high-performance para-aramid materials, this system offers an excellent balance of protection and long wear comfort. The lightweight construction supports extended use while maintaining consistent coverage against handgun and edged threats encountered in real-world environments.
- ◇ Covered with a durable 70d Nylon Rip Stop with TPU backing, ultrasonically welded for enhanced durability and protection.
