SOFT TRAUMA PACK

The Slate Solutions Soft Trauma Pack is designed to provide supplemental protection against blunt-force trauma when worn in conjunction with compatible soft body armor. It is not designed, tested, or rated for stand-alone ballistic protection and must always be used with an approved soft armor system.

FEATURES

- ♦ Helps disperse impact energy and reduce blunt-force trauma
- ♦ Protects the critical center-chest area
- ♦ Flexible and lightweight
- ♦ Fits standard carrier pockets
- ♦ Limited effect on comfort and mobility
- ♦ Durable moisture-resistant cover

Color

Black

Sizes & Weights

- ♦ 5x8 - 0.25 lbs / 0.11 kg
- ♦ 6x8 - 0.30 lbs / .014 kg
- ♦ 7x9 - 0.35 lbs / 0.16 kg
