# ZRX ELITE SHIELD

**Threat Level RF1**

FRONT

BACK

Protection meets purposeful design in the ZRX Elite Shield Threat Level RF1. Built for law enforcement and tactical teams, the ZRX Elite combines composite ballistic construction with a distinctive weapon-mount profile and integrated knee rest for enhanced stability and control. A precision-engineered ballistic viewport provides clear visibility, while a heavy-duty handle and padded forearm strap support secure, comfortable handling. Finished with a durable black polyurea coating, the ZRX Elite brings protection, versatility, and practical functionality to a single platform.

## FEATURES

- ♦ NIJ 0108.01 Threat Level RF1
